## **Out of Uniform Day Application**

It is the philosophy of the school that all “out of uniform” days are linked directly to existing curriculum programs and the improving of student outcomes. Only four “out of uniform” days will occur during one year, ie one per term. The dates for these days will be determined during the planning phase of the prior year. Themes for “out of uniform” will be approved through the application process to the Student Leadership Committee. All decisions of this body must be ratified via the LAC.
